The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, go to www.Medica.com/2020InsurePolicies or call 800-918-6165. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at https://www.healthcare.gov/sbc-glossary or call 800-918-6165 to request a copy.

| Important Questions  | Answers   | Why This Matters:   |
|--|---|---|
| What is the overall<br>deductible?   | <b>\$3,000</b> Individual / <b>\$9,000</b> Family for Tier 1 - preferred and Tier 2 -<br>standard <u>network</u> services. There is no coverage for non-network<br>services. Tier 1 preferred <u>deductible</u> applies to Tier 2-standard<br><u>deductible</u> . <u>Network deductible</u> will not exceed Tier 2 limit. | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .   |
| Are there services<br>covered before you<br>meet your<br><u>deductible</u> ? | Yes. <u>Preventive care</u> , preventive prescriptions and <u>copay</u> services from <u>network providers</u> are covered before you meet your <u>deductible</u> .   | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive</u> <u>services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits</u> .   |
| Are there other<br>deductibles for<br>specific services?                     | No.   | You don't have to meet <u>deductibles</u> for specific services.  |
| What is the<br><u>out-of-pocket limit</u><br>for this <u>plan</u> ?          | <b>\$6,300</b> Individual/ <b>\$12,600</b> Family for Tier 1 - preferred and Tier 2 - standard <u>network</u> services. There is no coverage for non-network services. Tier 1 preferred out-of-pocket applies to Tier 2-standard out-of-pocket. <u>Network</u> out-of-pocket will not exceed Tier 2 limit.                | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.   |
| What is not<br>included in the<br><u>out-of-pocket limit</u> ?               | Premiums, balance billing charges and health care this plan doesn't cover.  | Even though you pay these expenses, they don't count toward the out-of-pocket limit.  |
| Will you pay less if<br>you use a <u>network</u><br><u>provider</u> ?        | <b>Yes.</b> Visit <u>www.Medica.com/InsureNetwork</u> or call 800-918-6165<br>(TTY:711) for a list of <u>network providers</u> .  | This <u>plan</u> uses a <u>provider network</u> . You will pay the least if you use a <u>provider</u> in the Tier 1 - preferred <u>network</u> . You will pay more if you use a <u>provider</u> in the Tier 2 - standard <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a<br><u>referral</u> to see a<br><u>specialist</u> ?             | No.   | You can see the <u>specialist</u> you choose without a <u>referral</u> .  |

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
