NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, go to www.medica.com/2022ConnectPolicies or call 866-416-7438. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at https://www.healthcare.gov/sbc-glossary or call 866-416-7438 to request a copy.

| Important Questions | Answers | Why This Matters: |
|---|---|---|
| **What is the overall deductible?** | **$0** at Indian Health Care Provider (IHCP) or with IHCP referral at non-IHCP; **$7,500** Individual / **$15,000** Family for non-IHCP Tier 1 - preferred and **$7,700** Individual / **$15,400** Family for Tier 2 - standard network services. There is no coverage for non-network services. Tier 1 non-IHCP preferred deductible also applies to non-IHCP Tier 2-standard deductible. Network deductible will not exceed Tier 2 limit. | Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible. |
| **Are there services covered before you meet your deductible?** | **Yes.** Preventive care, preventive prescriptions and copay services from non-IHCP network providers are covered before you meet your deductible. | This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits. |
| **Are there other deductibles for specific services?** | **No.** | You don't have to meet deductibles for specific services. |
| **What is the out-of-pocket limit for this plan?** | **$8,700** Individual / **$17,400** Family for non-IHCP Tier 1 - preferred and non-IHCP Tier 2 - standard network services. There is no coverage for non-network services. Tier 1 preferred out-of-pocket applies to Tier 2-standard out-of-pocket. Network out-of-pocket will not exceed Tier 2 limit. | The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met. |
| **What is not included in the out-of-pocket limit?** | Premiums, balance-billing charges and health care this plan doesn't cover. | Even though you pay these expenses, they don't count toward the out-of-pocket limit. |
| **Will you pay less if you use a network provider?** | **Yes.** Visit www.medica.com/findconnectproviders or call 866-416-7438 (TTY:711) for a list of network providers. | This plan uses a provider network. You will pay the least if you use a provider in the Tier 1 - preferred network. You will pay more if you use a provider in the Tier 2 - standard network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services. |
| **Do you need a referral to see a specialist?** | **No.** | You can see the specialist you choose without a referral. |

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
