

The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, go to <u>www.medica.com/2022InsurePolicies</u> or call 800-918-6164. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms, see the Glossary. You can view the Glossary at <a href="https://www.healthcare.gov/sbc-glossary">https://www.healthcare.gov/sbc-glossary</a> or call 800-918-6164 to request a copy.

| Important<br>Questions  | Answers  | Why This Matters:   |
|---|--|---|
| What is the overall deductible?                                 | <b>\$0</b> at Indian Health Care Provider (IHCP) or with IHCP referral at non-IHCP; <b>\$6,800</b> Individual / <b>\$13,600</b> Family for non-IHCP Tier1 - preferred network and Tier 2 - standard network services. There is no coverage for non-network services. | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .   |
| Are there services covered before you meet your deductible?     | <b>Yes</b> . Preventive care and preventive prescriptions from non-IHCP network providers are covered before you meet your deductible.   | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive</u> <u>services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits</u> .   |
| Are there other deductibles for specific services?              | No.  | You don't have to meet <u>deductibles</u> for specific services.  |
| What is the out-of-pocket limit for this plan?                  | <b>\$7,050</b> Individual / <b>\$14,100</b> Family for non-IHCP Tier 1 - preferred and Tier 2 - standard <u>network</u> services. There is no coverage for non-network services.   | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.   |
| What is not included in the out-of-pocket limit?                | Premiums, balance-billing charges and health care this plan doesn't cover.   | Even though you pay these expenses, they don't count toward the out-of-pocket limit.  |
| Will you pay less if you use a <u>network</u> <u>provider</u> ? | <b>Yes.</b> Visit <a href="https://www.medica.com/FindInsureProviders">www.medica.com/FindInsureProviders</a> or call 800-918-6164 (TTY:711) for a list of <a href="https://network.providers">network providers</a> .   | This plan uses a provider network. You will pay the least if you use a provider in the Tier 1 - preferred network. You will pay more if you use a provider in the Tier 2 - standard network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services. |
| Do you need a referral to see a specialist?                     | No.  | You can see the <u>specialist</u> you choose without a <u>referral</u> .  |

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
