

The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, go to <u>www.medica.com/2022InsurePolicies</u> or call 800-918-6165. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms, see the Glossary. You can view the Glossary at https://www.healthcare.gov/sbc-glossary or call 800-918-6165 to request a copy.

| Important Questions | Answers | Why This Matters: |
|---|---|---|
| What is the overall deductible? | \$0 for <u>network</u> services. There is no coverage for non-network services. | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> . |
| Are there services covered before you meet your deductible? | Yes. | This plan covers some items and services even if you haven't yet met the deductible amount. |
| Are there other deductibles for specific services? | No. | You don't have to meet <u>deductibles</u> for specific services. |
| What is the out-of-pocket limit for this plan? | \$0 for <u>network</u> services. There is no coverage for non-network services. | This plan does not have an out-of-pocket limit on your expenses. |
| What is not included in the out-of-pocket limit? | Premiums, balance-billing charges and health care this plan doesn't cover. | This <u>plan</u> does not have an <u>out-of-pocket limit</u> on your expenses. |
| Will you pay less if you use a <u>network provider</u> ? | Yes. Visit <u>www.medica.com/FindInsureProviders</u> or call 800-918-6165 (TTY:711) for a list of <u>network providers</u> . | This plan uses a provider network. You will pay the least if you use a provider in the Tier 1 - preferred network. You will pay more if you use a provider in the Tier 2 - standard network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services. |
| Do you need a referral to see a specialist? | No. | You can see the specialist you choose without a referral. |

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
