The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, go to <u>www.medica.com/2022PinnaclePolicies</u> or call 877-347-0267. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms, see the Glossary. You can view the Glossary at https://www.healthcare.gov/sbc-glossary or call 877-347-0267 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$0 for <u>network</u> services. There is no coverage for non-network services.	See the Common Medical Events chart below for your costs for services this <u>plan</u> covers.
Are there services covered before you meet your deductible?	Yes.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount.
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet deductibles for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	\$0 for <u>network</u> services. There is no coverage for non-network services.	This <u>plan</u> does not have an <u>out-of-pocket limit</u> on your expenses.
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges and health care this plan doesn't cover.	This <u>plan</u> does not have an <u>out-of-pocket limit</u> on your expenses.
Will you pay less if you use a network provider?	Yes. Visit <u>www.medica.com/findpinnacleproviders</u> or call 877-347-0267 (TTY:711) for a list of <u>network providers</u> .	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the specialist you choose without a referral.

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
